1.

- ▶ Unclip reflector assembly from main profile.
- ▶ Remove safety cables.

2.

- ▶ Insert the main electrical cable into the profile.
- ▶ Screw the profile into place using the washer and screws compatible with mounting surface.
- ▶ Connect the main electric feed to the pushwire terminal.

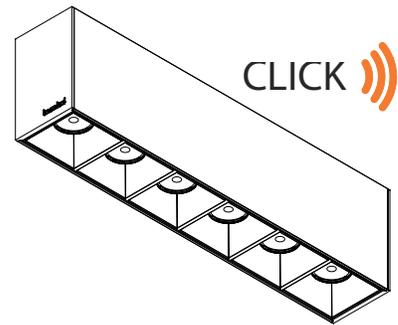

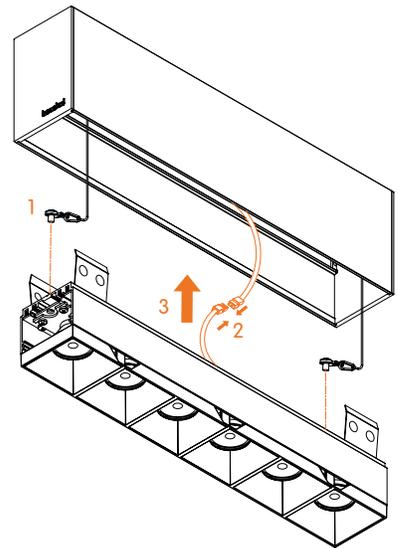

WARNING: Shock hazard. Serious injury or death may occur. Turn Off power before servicing or installing. Wire according to local and national codes. This product shall be installed by a qualified electrician.

3.

- ▶ Re-attach safety cables.
- ▶ Connect the low voltage quick connects from the driver.
- ▶ Insert the reflector assembly into the main profile until it clicks.

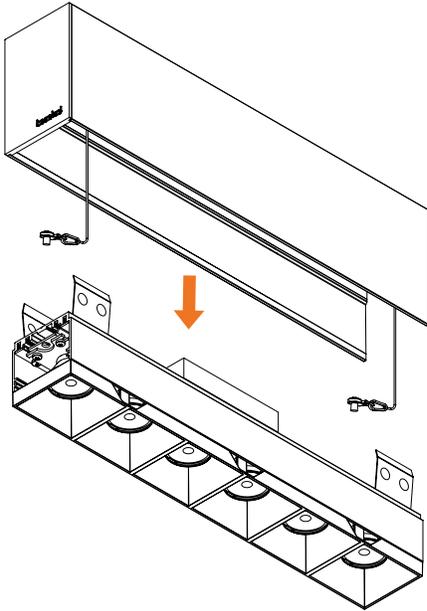

WARNING: Failure to secure safety cables can lead to injury or death!

B. CONTINUOUS RUN INSTALLATION

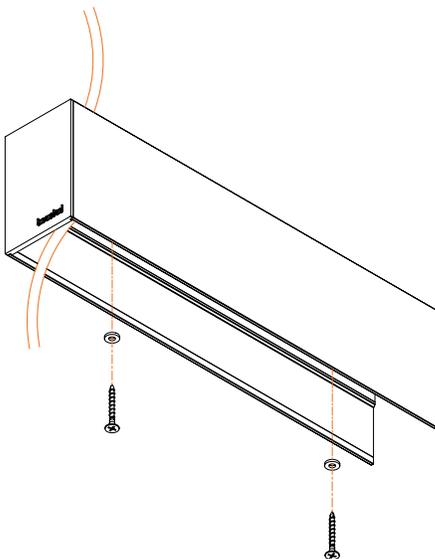

1.

- ▶ Unclip reflector assembly from main profile.
- ▶ Remove safety cables.

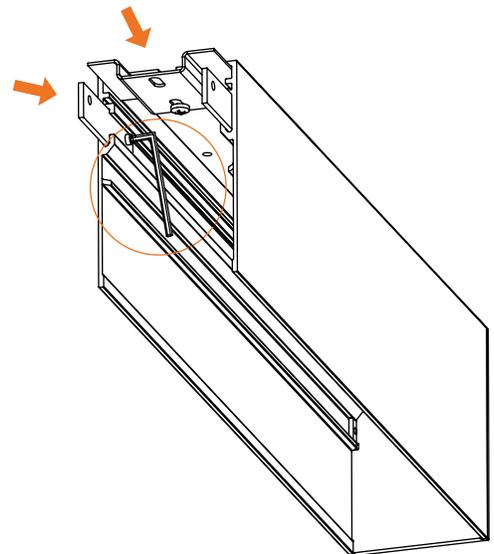

2.

- ▶ Insert the main electrical cable into the profile.
- ▶ Screw the profile into place using the washer and screws compatible with mounting surface.
- ▶ Connect the main electric feed to the pushwire terminal.

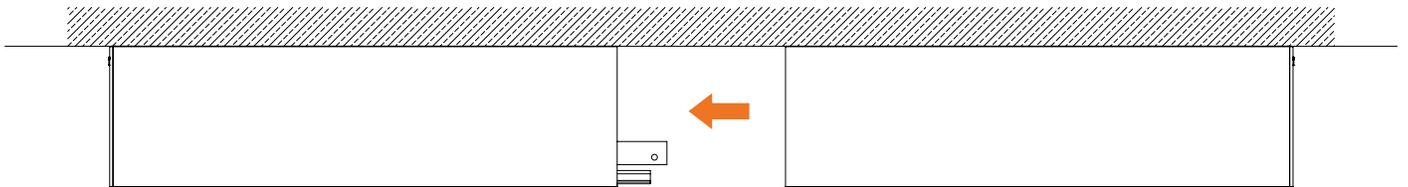

3.

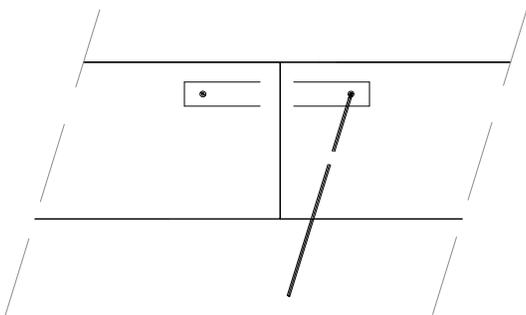

- ▶ Slide in alignment brackets halfway into the profile and tighten them using an allen key and provided headless screws.

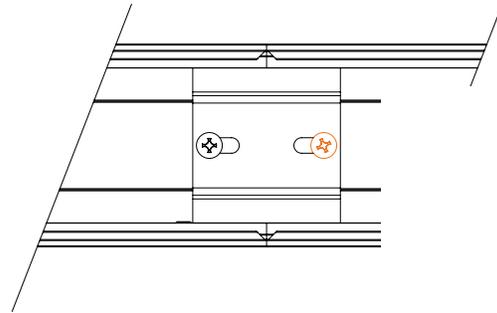

4. ▶ Insert the next fixture into the alignment brackets.

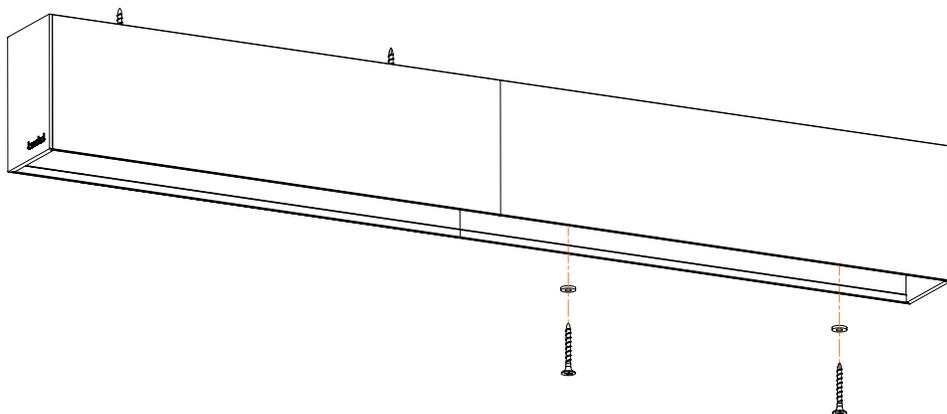

▶ Tighten the alignment bracket using the allen key and provided headless screws on inserted profile.

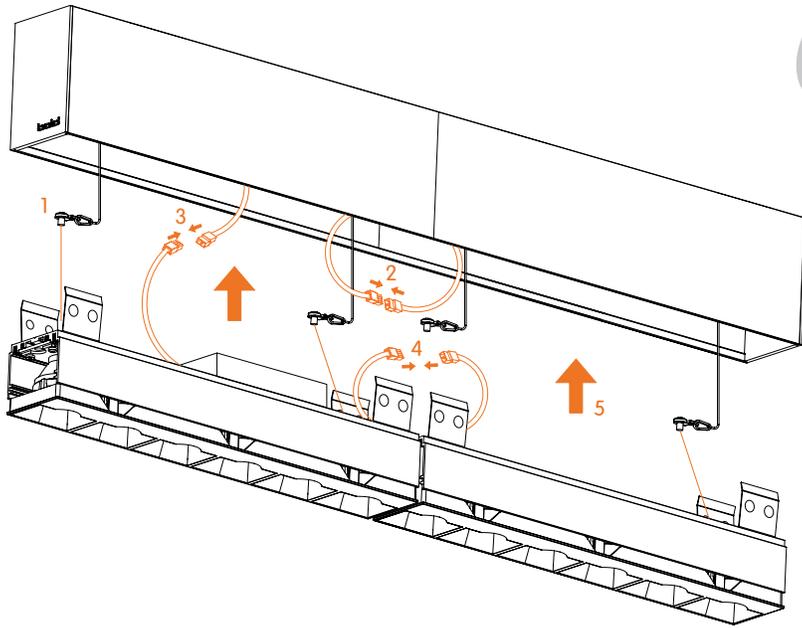

▶ Tighten the screws of the second alignment bracket.

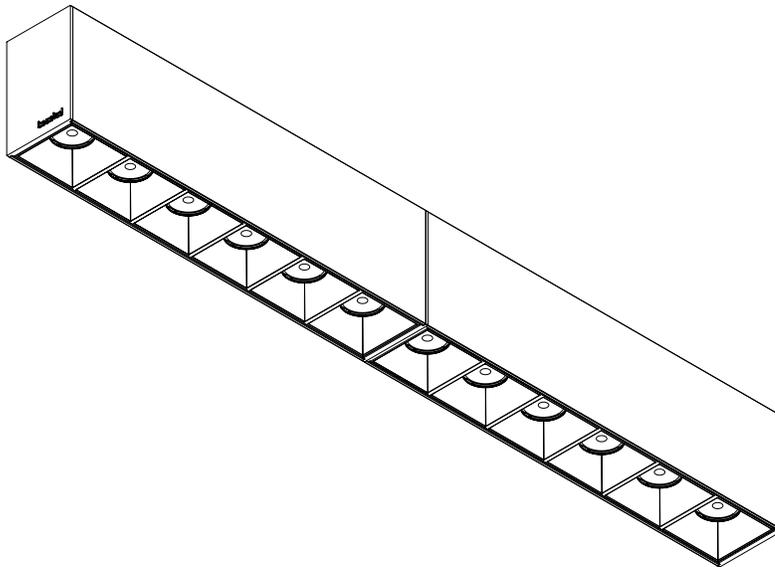

5. ▶ Fix the second fixture to the surface using the specified screws and washers.

6.

- ▶ 1- Re-attach safety cables.
- ▶ 2- Connect the mains voltage through wiring cables as shown on pages 6-8.
- ▶ 3- Connect the low voltages quick connects from the driver.
- ▶ 4- Interconnect led modules together using the low voltage quick-connects.
- ▶ Refer to the factory shop drawings for final run lengths.
- ▶ 5- Insert reflector assembly into main profile until it clicks.

CLICK 

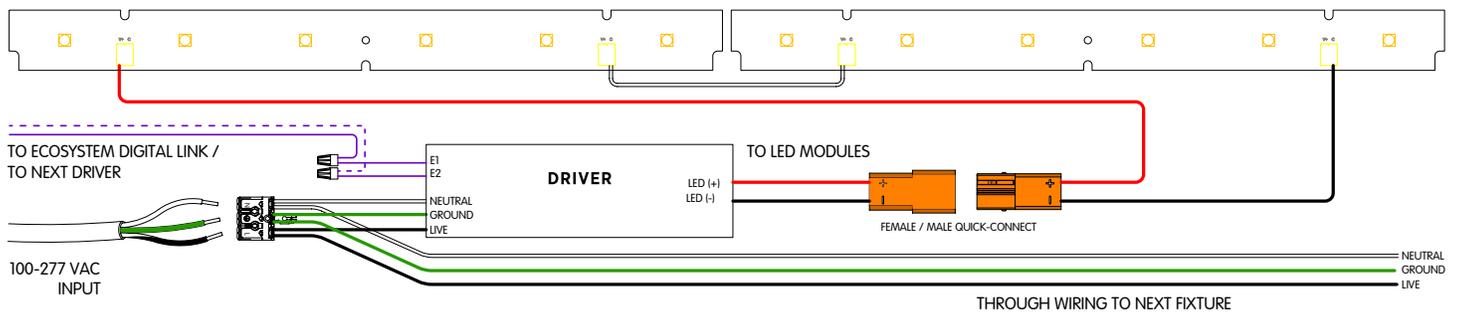

WARNING: Do not exceed the rated wattage of the through wiring cables or the connectors.
For all continuous runs, refer to factory shop drawing indicating exact dimensions and feed locations.
