Our Magnetic track system, SPECTER, is a highly configurable, 2 circuits, 24VDC low voltage track system. Thanks to its magnet mounting technology, the modules are inter-changeable instantaneously. Our track is available in ceiling pendant, surface and recessed mounting for both ceiling and walls. SPECTER track is also available with an optional linear upright feature. The snoot pendant module complements the SPECTER range with a minimalistic pendant cylinder equipped with a wide range of optics and optical accessories allowing professional lighting.

- Up to 1,300lm delivered output
- Available in 2 diameter sizes, 1.25" and 2"
- Various optical accessories available such as beam shaping lenses, Honeycomb louvers or barndoors
- Beam options, narrow, medium, Flood and wide
- Fixtures designed to mount in SPECTER track
- Available in 4 standard finishes: Black, white, silver and bronze

Notes: Track available in 0-10V, ELV and DALI dimming

Code example:

SNP-1-927-M-BL

Size / Output*		CRI	CCT.	Beam	Finish
